

BUILDING FOR ENGAGEMENT TEAM

9.00 am— 11.00 am

A winning team comprises a group of purposeful people working together in an extraordinary environment, trusting one another, complementing each other's strengths, and compensating each other's limitations. Members of the team respect each other and work interdependently to achieve their mission.

In this 1.5 hours session, participants will be able to experience the dynamic of working in team and achieving the team goal within the allocated time frame and limited resources.
