

SHRDC

SOLAR PV TRAINING PROGRAMS 2020

Selangor Human Resource Development Centre (SHRDC) is one of the leading Solar PV training centres in Malaysia, fully accredited by the Sustainable Energy Development Authority (SEDA) Malaysia. Established in 2014, we have trained over 700 participants to date, contributing skilled workforce for the sector.

SHRDC works in partnership with the Malaysian Photovoltaic Industry Association (MPIA) and Solar PV service providers towards providing upskilling, reskilling and pipeline talent development programs. Our training facilities include purpose-designed classrooms, Solar PV workshops and roof-top solar panels for hands-on learning and is supported by experienced trainers with a dedicated operations team.
